Murder On The Mind: The Jeff Resnick Mystery Series, Book 1

Download Ebook
Synopsis
Jeff Resnick hardly knew his well-heeled half-brother. But after suffering a fractured skull in a vicious mugging, he reluctantly accepts the fact that he has a long and brutal recovery to face - and his closest of kin can provide him with the time and place to do it. Now, Jeff is haunted by unexplained visions of a heinous crime - a banker, stalked, killed, and eviscerated like a 10-point buck. When Matt Sumner’s murder is discovered, a still-recovering Jeff realizes this was what he had seen. Jeff must not only convince himself of his new-found psychic ability, but also his skeptical brother, Richard Alpert. Since Sumner was Richard’s banker, both brothers have a stake in finding out what happened. With Richard’s reluctant help, Jeff’s investigation leads him to Sumner’s belligerent family and hard-nosed business associates, none of whom want him snooping around. When Jeff discovers a second victim, he knows he must relentlessly chase his quarry - even if it means risking his brother’s life.

Customer Reviews
L.L. Bartlett’s MURDER ON THE MIND is an exceptional debut mystery that adds a paranormal element to the enjoyment of unraveling traditional investigative techniques. Told in the first person through the eyes of a psychic sleuth, or perhaps brain damaged, MURDER ON THE MIND heightens the level of suspense as each new clue or vision arises. A mugging in Manhattan, leaves former insurance investigator Jeff Resnick with broken bones and a fractured skull --- and completely dependent on his rich estranged half brother Dr. Richard Alpert and his girlfriend Brenda.
Stanley. Visions of a hunt and a hunter stalking his deer prey terrify Jeff. The doctors diagnose brain damage. Days later, a local banker is found dead, his murder eerily similar to the details of Jeff’s nightmares. Jeff believes the attack has left him with a sixth sense, a psychic ability to see murder before the event. Jeff uses his visions and his investigative skills to try to solve the crime but as he gets closer to the killer, danger arises from all corners. Will the police trust his revelations are due to psychic visions or attribute his knowledge to a more nefarious means? As Jeff becomes closer to his half brother, dangerous past secrets emerge touching his traumatic childhood. Somewhere danger lurks and Jeff must work hard and fast if he doesn’t want to become a victim to one of the dark secrets he uncovers.

L.L. Bartlett writes a magnificent mystery! MURDER ON THE MIND mixes an eerie, psychic paranormal element with an investigative hunt for clues and facts, never sacrificing the mystery to an easy resolution. Intriguing twists keep the reader poised at ever page.
