The Healing Platform: Build Your Own Cure!

Synopsis

What you are holding in your hands is the ultimate, hands-on resource for patients navigating the cancer healing process. You are tapping into advice from someone who survived a stage 4 cancer diagnosis and went on to create the ultimate non-profit foundation for the advancement of integrative oncology. Annie Brandt opens her heart to share her own story and her expert opinions tested after years of working with cutting-edge integrative oncologists. She extends a loving hand to everyone who wants to know what they can do to achieve the best possible chance of success. "It's a rare occurrence when a long-term fifteen year survivor of stage IV Breast Cancer first diagnosed in 2001 with metastases to the brain, lungs and regional nodes dare to challenge the standard of care status quo. This book is revolutionary in scope and its purpose is to bring reason and common sense to medical oncology. She is raising the flag for different possibilities for success. Cancer patients cannot only survive - she shows you how you can thrive!" --James Forsythe, M.D., H.M.D., Forsythe Cancer Care Center, Reno, NV

Great insight from Annie Brandt and integrative doctors who really want whole being healing as part of the conversation and treatment. I was inspired by Annie's journey and her tips that have been working for her since 1992 with her fight with several diseases. This is the book for cancer patients, doctors, and anyone with a
