Colposcopy: Principles And Practice, Text With DVD, 2e (Apgar,Colposcopy: Principles And Practice)
Synopsis

The new edition of this popular, richly illustrated textbook and atlas features a top-notch, diverse editorial team who offer you the most current information and reliable guidance on all aspects of colposcopy. They present unparalleled coverage on the full range of topics, from basic science to clinical colposcopy to the latest information on anal disease and HPV infections in adolescents. More than 800 full-color, high-quality colpophotographs highlight all the variations seen in colposcopic practice and accompanying brief highlighted text further explains every concept. The book’s unique organization emphasizes the correlation among cytology, colposcopy, and histology to help you make the most accurate diagnosis, and a DVD containing videos clips of colposcopic procedures and supplies guide you through every procedure. Encompasses the expertise of first-class investigators and clinicians from a variety of disciplines, including family practice, obstetrics, pathology, and gynecology providing you with a wide range of options and perspectives. Presents side-by-side illustrations of colposcopy, cytology, and histology, making correlations easy to see and understand. Features relevant discussions and descriptive graphics to explore low and high-grade CIN and cancer and glandular lesions. Includes a list of key points at the end of each chapter that summarize essential information. Outlines all aspects of patient management, using practical, evidence-based algorithms for at-a-glance review. Features more than 50% new or replaced illustrations, providing higher-quality visual guidance. Presents best-evidence for the latest therapeutic guidelines and treatment options, so you can make better informed decisions. Provides new chapters on anal disease and HPV infections in adolescents to keep you on the cusp of the latest techniques and practices. Discusses the pitfalls and tricks of the trade of colposcopy to help you avoid complications. Includes a DVD of 9 video clips (30 minutes of footage) of procedures offering you step-by-step instructions on performing the colposcopy.

Customer Reviews

Best colposcopy book I know. Updated information with easy and consistent guidelines. High definition printed images. Comes with a DVD showing essential steps for clinical/surgical practice. The product as described, promptly delivered, well packaged (contents were protected from bumps), very satisfied upon receiving the item. As to the contents of the book, don't know, wasn't for me :)

A must have in women's health.
