I was born in Cuba,speak perfect Spanish,but after 40 years living in the United STates it is easier for me to read in English.I have the English version of this book I gave as a present to my friend the Spanish version.It is not a religious thing,it is just that special something that lifts your spirit when you have your blue days, or when death takes your loved ones,when life,as you know it ,changes.It is a book for all seasons,all creeds,a book that helps us women face those everyday challenges or those moments,that when you look back you think:"How could I live after that and when did I become invincible?

Si buscas algo facil de entender,y q todo mundo pueda leer sin mayor complicacion este es el libro indicado,y perfecto para gente que lee ocasionalmenteÂ¡ Pero si eres un lector empedernido mejor busca otras opciones.

This is a heart warming book as are all of the Chicken Soup, Sopa de Pollo series with inspirational stories that almost everyone can relate to. They are well written, easy to read, with a good current vocabulary. I read some of the books in Spanish to keep up my skills in that language.

I have read the version in English and this version is not the whole version. There is two poems missing and it makes a big difference

A really wonderful book. It was a gift for a girl friend and she really appreciated and enjoyed it, in fact, she re-reads it and has shared it with other people. Is a really nice and uplifting book.
