I rent this book but it's damaged, one of its corners is damaged by water, I just received it and have to return it on May31 I just don't want to be fined for this book because it's not new

Just received book. Has wear and tear. On corners of cover. Some pages seem like they've been wet. Just wanted to put it out there so when it's returned there are no surprises nor charges.

do not buy this if you have the kindle app for your pc. it is not compatible, and even though it is cheaper than the physical copy you do not have the option to print your pages,
